

GS7800

u-mount® Guitar Hanger

GUITAR STANDS & ACCESSORIES

FEATURES AND BENEFITS

Keep your guitar close! Hang it from your microphone stand. The GS7800 takes advantage of the patent-pending u-mount clamp and lets your existing mic stand pull double duty as a guitar stand. The easy-on, easy-off single knob clamp secures to any shaft up to 3/4" in diameter. Your guitar will always be in reach and your piece of the stage will be clutter-free. The swivel yoke fits most conventional headstocks and is lined with inert velveteen foam. An exclusive EVA bumper is included to stabilize and protect your electric or acoustic guitar.

Self-adjusting swiveling yoke lined with inert

Secures to any shaft up to 3/4" in diameter.

Patented elliptical enveloping clamp allows for quick and secure setups and teardowns.

EVA bumper included to stabilize and protect your guitar. Zip tie included with the bumper for semi-permanent installation.

On-Stage ORIGINAL

Turn any standard tripod mic stand into a hanging guitar stand!
